

# 2009 Little Miss Kickball State All Star Tournament Reserved Parking Map

NWA has reserved a number of lots and parking spots for use during the tournament. These spaces will be monitored and only cars with an authorized Tournament Parking Pass will be allowed entry. The Team Drop Off area will be on Hart Lane near the fields. ***There is to be no parking on the grass areas around the fields or the school facilities.***

Outside of the reserved parking there is considerable parking available on the streets surrounding the NWA fields as well as in the lots of neighboring businesses and organizations. Please respect the wishes of our neighboring businesses with regards to parking as several will be open for business during the tournament.
